

Paper Tray 1& 2 – Paper Handling Module

Tray 1 and 2 Takeaway Rolls and L/H Cover Interlock

You can access the feeder assemblies by opening the Cover on the left side of the Feeder Module. The Tray 1 and Tray 2 Feeder Assemblies are hinged and swing out by removing one screw on the outboard side of the assembly. The Feed Rolls snap out as an assembly. The Takeaway Drive Rolls are located above the Feeders, The Takeaway Idler Rolls are on the Left Hand Cover. Opening the cover, opens the L/H Cover Interlock Switch and disables machine operation while the door is open.
