1 Development Objectives

1-1 Summary of Main Features

How to read this summary
NEW! .....New features introduced with the SELPHY CP710/CP510→ Highlighted in red
◆ .....Features different from the SELPHY CP500/CP400 → Highlighted in red
☐ .....Features carried over from the SELPHY CP500/CP400

High Image Quality

- ☐ Dye-sublimation system provides exceptional gradations
- ☐ High resolution of 300 × 300 dpi
- ☐ Durable protective print overcoating (equivalent to 100-year print)
  - Simulation results based on storage in a dark place at 23°C (73.4°F) and 50% RH.
- ☐ Automatic dynamic-range correction (when using PictBridge)

Full Features and Ease of Operation

NEW! **Canon Direct Print (from a memory card) support (SELPHY CP710 only)**
- Three types of memory card slot
- 1.5" color LCD monitor for image verification
- Printing operations enabled from the printer itself

NEW! **Wireless printing via wireless communication (Bluetooth / wireless LAN)***
* Optional Bluetooth unit / wireless Print adapter required

NEW! **Equipped with a tripod socket***
* Support for displays at local dealers

NEW! **High-speed printing at 60 seconds or less (for Canon Direct Print connection, postcard size print)**

NEW! **Retractable camera connection cable in the printer**

- ◆ PictBridge support: Support for all PictBridge printing features
  - File name print
- ◆ Support for four print sizes* including wide size (100 × 200 mm)
  - Supports full-area printing with a PictBridge connection

  * Paper cassettes are not supplied for all print sizes. Because the included paper cassette types differ depending on product destination, it may be necessary to purchase additional paper cassettes (optional) for other paper sizes.
- ◆ Battery powered operation
  - Optional Battery Pack NB-CP2L
- ◆ Application software and drivers
- ☐ Accepts full-sized label paper (credit-card size) for printing photos to labels
- ☐ Supports printing of eight removable copies of the same image on one credit-card size sticker sheet
- ☐ Ink, paper, and paper cassette are compatible with previous models

New Design

NEW! **A new design that conveys ease of use while highlighting its many features (SELPHY CP710)**

NEW! **A classy design for a low-end model, emphasizing compatibility with the SELPHY CP710 (SELPHY CP510)**

Compact

- Compact design: Under 1500 cm^3 in volume and Approx. 980g (34.6 oz.) in weight (SELPHY CP710)
  Under 1500 cm^3 in volume and Approx. 940g (33.2 oz.) in weight (SELPHY CP510)

1-2 Main Specification Comparison

1-2-1 SELPHY CP710 and CP500

• Note: Colored table items and text in red show changes from SELPHY CP500.

			SELPHY CP710	SELPHY CP500
Printing Method			Dye-sublimation thermal print method (with overcoating)	
General Specifications	Resolution		300 × 300 dpi	
	Gradation		256 levels per color	
	Ink		Dedicated cartridge (Y, M, C and overcoating material)	
	Paper		Dedicated paper (Postcard size; L size; Credit-card size; Credit-card size with full-sized adhesive label; 8-piece adhesive sticker; Wide size)
