Only numbered Service Parts are available.

This diagram shows the exploded view of the PCB assembly. The components are labeled as follows:

- G**: A small square component, likely a crystal or oscillator.
- P**: A circular component, likely a connector or a small antenna.
- AH1**: A small rectangular component, likely a microcontroller or a small IC.
- AG1**: A small rectangular component, likely a microcontroller or a small IC.
- D**: A small rectangular component, likely a microcontroller or a small IC.
- N**: A large rectangular component, likely a microcontroller or a small IC.
- R**: A small rectangular component, likely a microcontroller or a small IC.
- I**: A small rectangular component, likely a microcontroller or a small IC.
- AD1**: A small rectangular component, likely a microcontroller or a small IC.
- Q2**: A small rectangular component, likely a microcontroller or a small IC.
- Q1**: A small rectangular component, likely a microcontroller or a small IC.
- AF1**: A small rectangular component, likely a microcontroller or a small IC.
- AE1**: A small rectangular component, likely a microcontroller or a small IC.
- AL2**: A small rectangular component, likely a microcontroller or a small IC.
- AK2**: A small rectangular component, likely a microcontroller or a small IC.
- AJ2**: A small rectangular component, likely a microcontroller or a small IC.
